Assignment #3: Interest Paper

The purpose of this assignment is to get you started on your required career-steering/shaping project. As such, it is a planning assignment. This assignment should be updated from semester to semester.

To receive full credit for this assignment, please complete each of the following:

- In order to help you with your interest paper, please do your best to address each of the questions that have been provided within the interest paper guide located at this location.

- This paper has the potential to help bridge the gap between your coursework and your career interests and goals. It can, for example, help you to begin acquiring the skills that you need in order to land that cool internship at “company ZZZ.”

- Given this, please give your answers a great deal of thought. (….without stressing or sacrificing your grades!)

NOTE: This is NOT intended to be an “English assignment.”
It is intended to be a “planning, exploration and thinking assignment.” :o)

Here are a couple of ASU interest paper examples that you can follow:

NOTE: This assignment should be updated each semester!

The update should be significant; e.g. 1-2 pages per semester.

Your interest paper should evolve into a project progress report.
